You called on Yakushiji???

Yeah, it seemed like you were out.

You didn't get in contact with us, though.

Because, we didn't know when you guys'd be going home!

Why'd you go to him?!

'Come help me'

That's why I left on his answering machine,

This time it went to the answering machine again...

I thought to apologize once more, last night, so I called, but...

He was called by Chiaki, so that retard must be overjoyed.

God damn-it...

He could show himself soon.

What was that??!
Hey! I already said I called Yakkun! Don't get mad at Chiaki!
Yo- you're to blame!

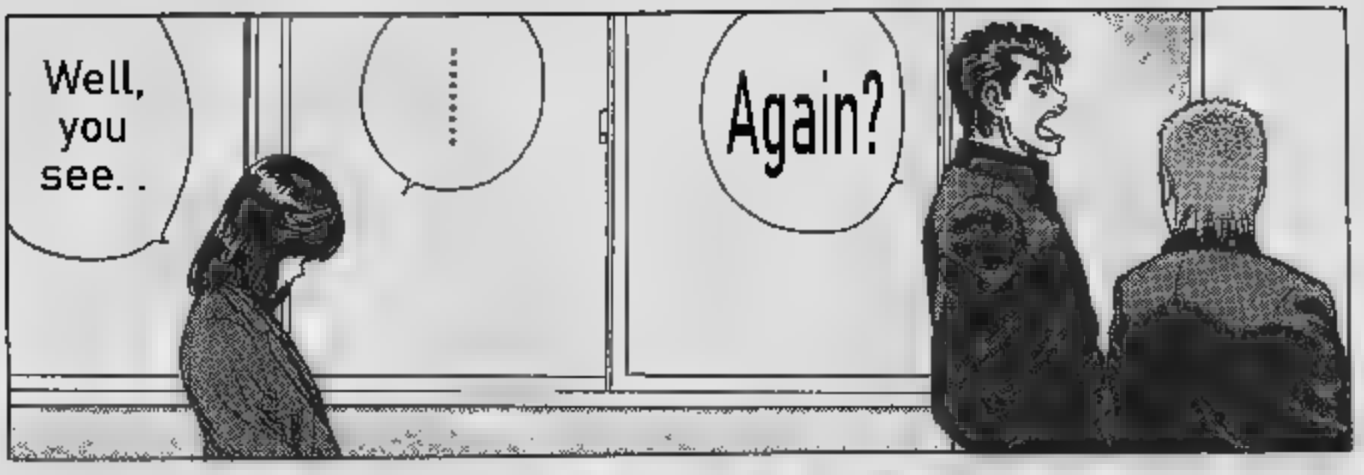
You didn't blow up *my* phone, idiot
Sorry...

Boss!
Give it a rest, won't you?
ガタン
.....

Maeda!

Mm I'm coming.
gathered everyone

.....



Well, you see. .
.....
Again?

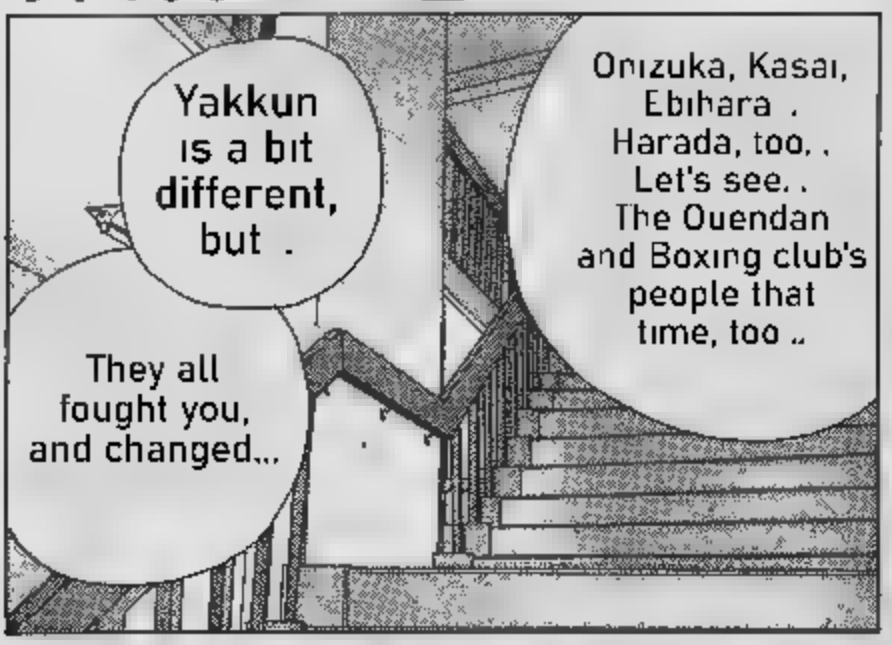
Doing the un w tnessab.e .
Yeah...

Every time Maeda goes off to f ght someone, I get worr ed really can't bear to witness it .
Then not seeing it's fine.

Huh?

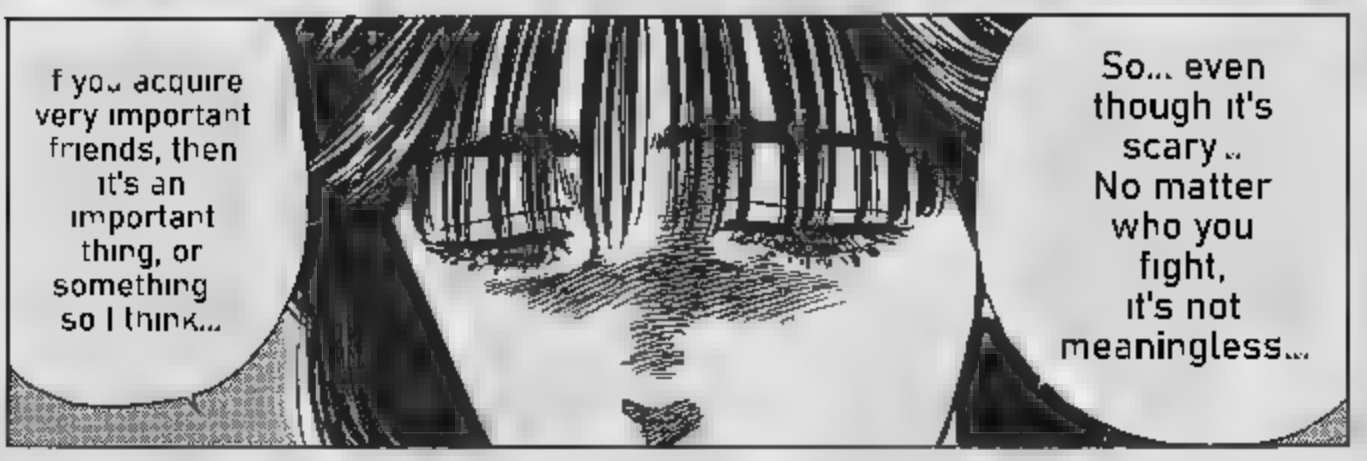
He said Maeda saved him.

Onizuka, right? He s become totally friendly and kind, t seemed . I heard of his past, and he s completely d fferent. .
.....



Yakkun is a bit different, but .
They all fought you, and changed...
Onizuka, Kasai, Ebihara . Harada, too. . Let's see. . The Ouendan and Boxing club's people that time, too ..

.....



f you acquire very important friends, then it's an important thing, or something so I think...
So... even though it's scary .. No matter who you fight, it's not meaningless...

What are you bothering to tell me?
Pfft...

Maeda...
m doing it because want to
This time the fight came from us.

I have faith in what Maeda does
... This time, don t know what the cause is and how it became like this, but...

.....

That's all it is.
I refuse to lose.

Yo.
Hey.

Their allies number 150 in that hotel!!!

This isn't a joke! What the fuck are you saying???

Isn't that why gathered all you guys????

Raiding the hotel??? And today????

We had the home advantage, too

Kasai was like this too. With this many people we won but it was a miracle

Wa-ha ha ha!!!

I understand but raiding their hotel is a big deal!!!

Shut the fuck up!!!

Did you think this through at all??? How many people are we????

.....

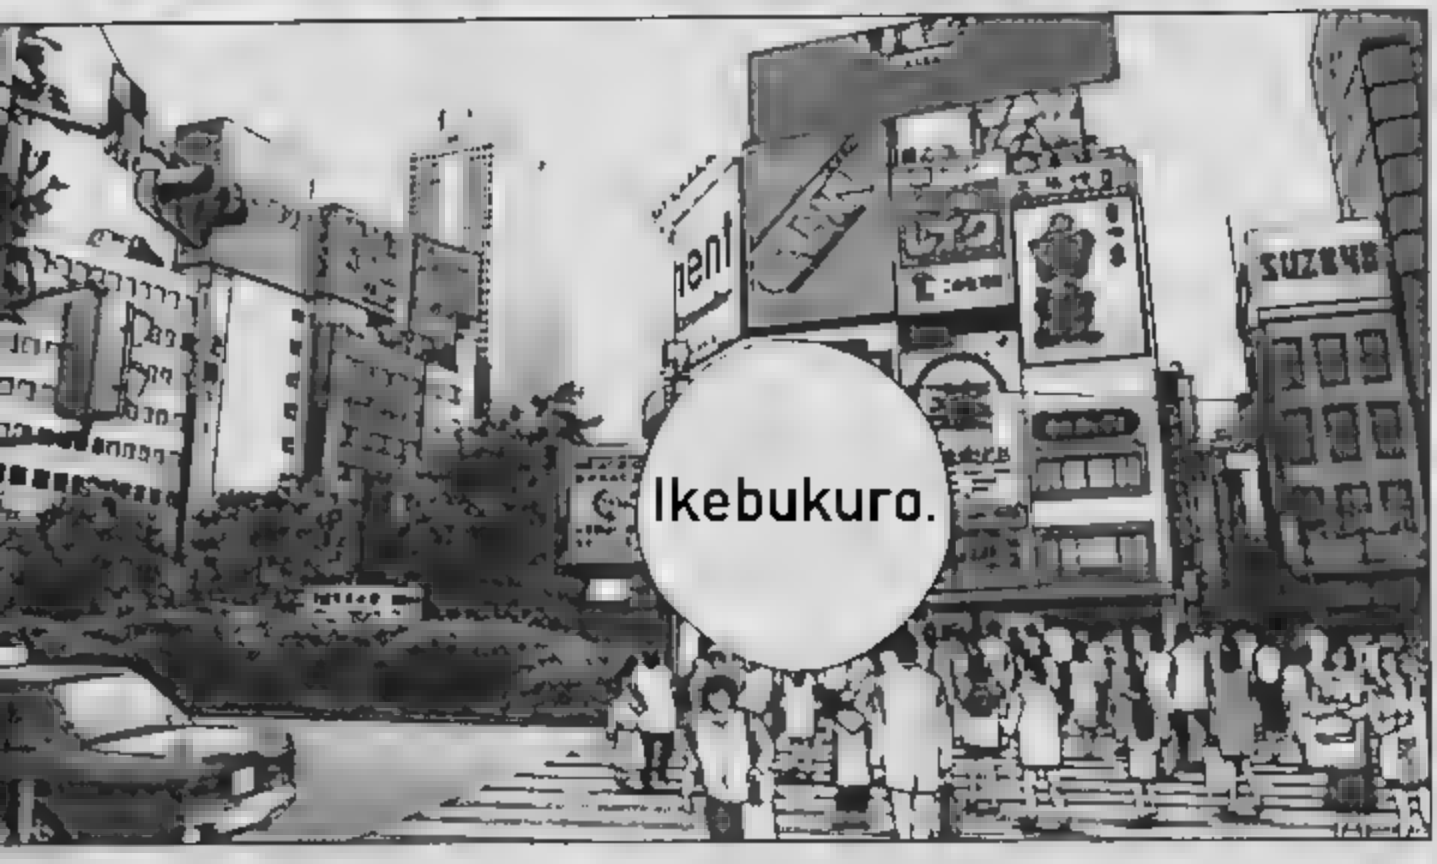
You got Onizuka's clan involved, right? With their help, then.

You retard. Uniting with those guys?

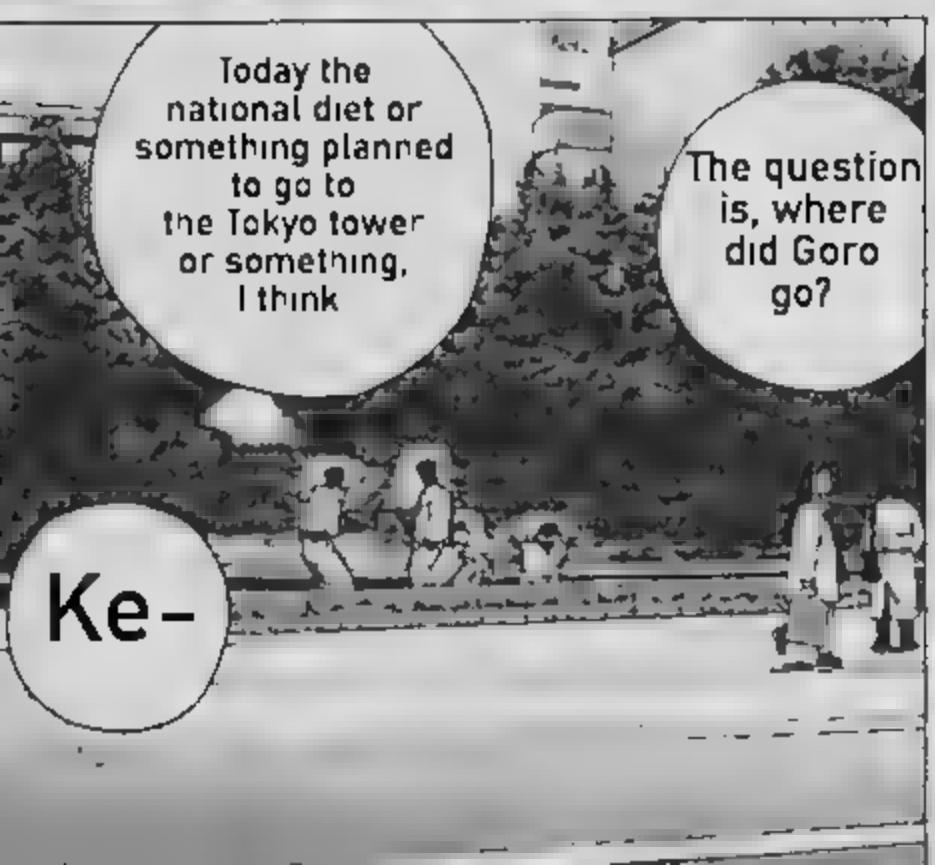
The Koheiji group storms in!

.....

This hotel of theirs.
Speaking of which, where is it?



Ikebukuro.

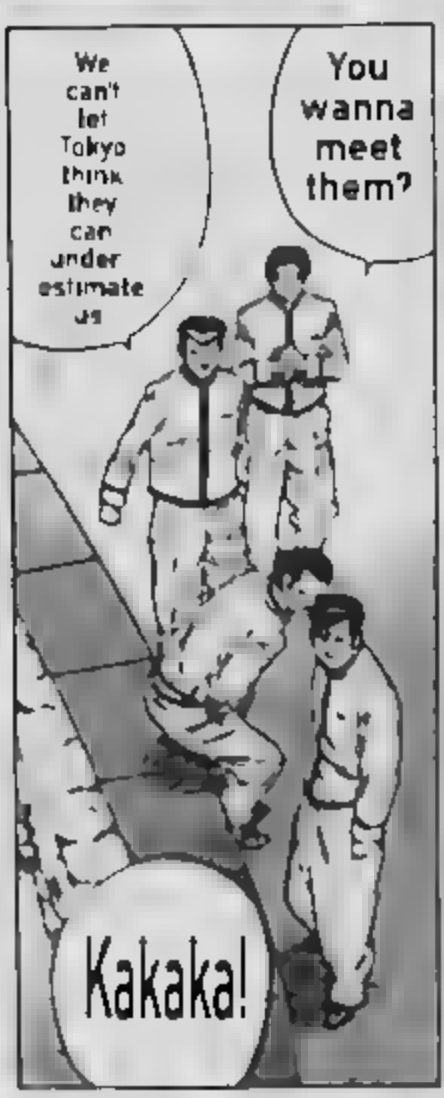


Today the national diet or something planned to go to the Tokyo tower or something, I think
The question is, where did Goro go?
Ke-

For a while now, those guys in blue have been staring at us

Nnnn, it sure is free
It's thank to Kawashima that we have the whole day free today, but

No, it's..
What's up?



We can't let Tokyo think they can underestimate us
You wanna meet them?
Kakaka!

Uck. It's the Kansai dialect
On a school field trip or something? Oh my god, what a lame uniform

Kora!!! You guys...
Who wants to be made mince?

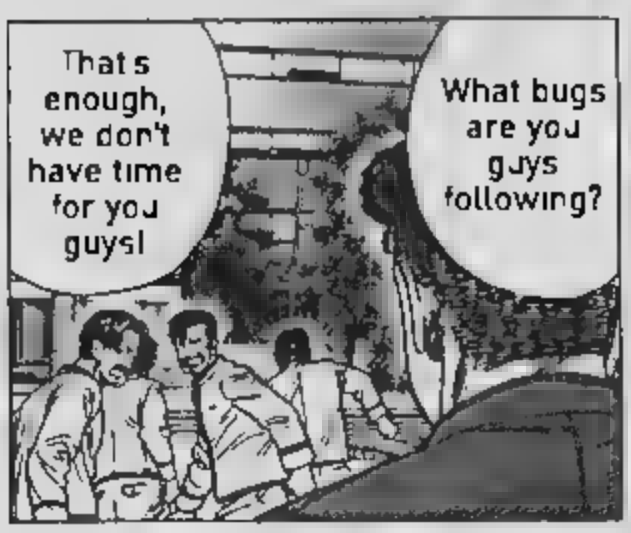
I feel bad. Right this second, you guys were already finished
What, you trying to start a fight?

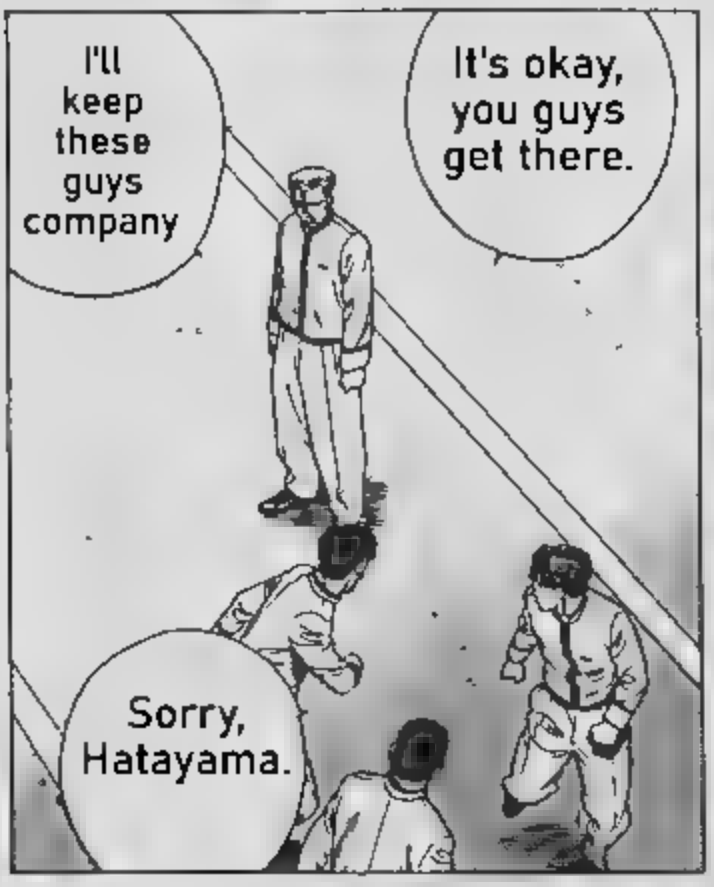
Hatayama!

Kyoukutou? The hell's that?
I'd tell Kyoukuto High's Kawashima but we don't know what he'd do to ya
Kawashima?

!
Hey- what are you guys doing?

Mesh = orders mushi = bug





Or I'll get mad.
Go. Quickly.
Huh?

This Kawashima seems pretty scary
.....

Quickly!

Are you gonna fight or not? Which is it?

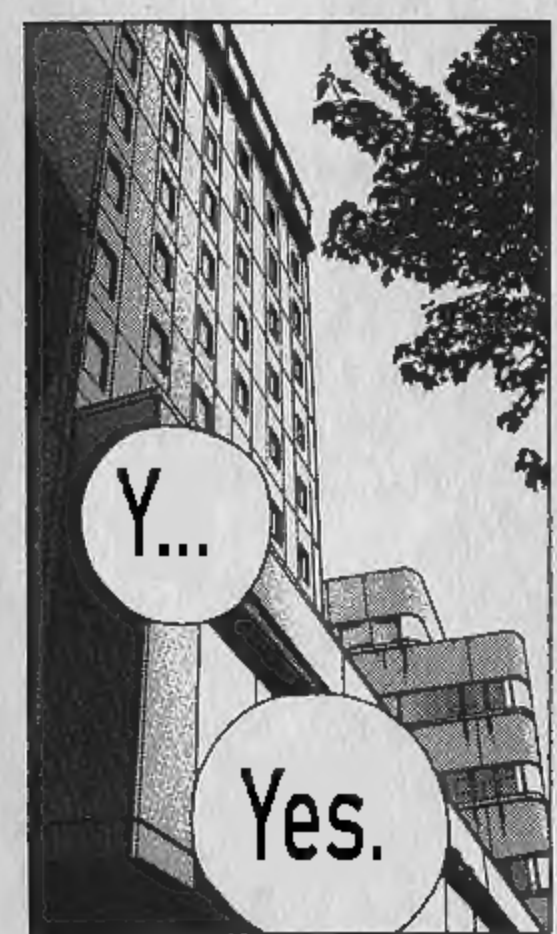
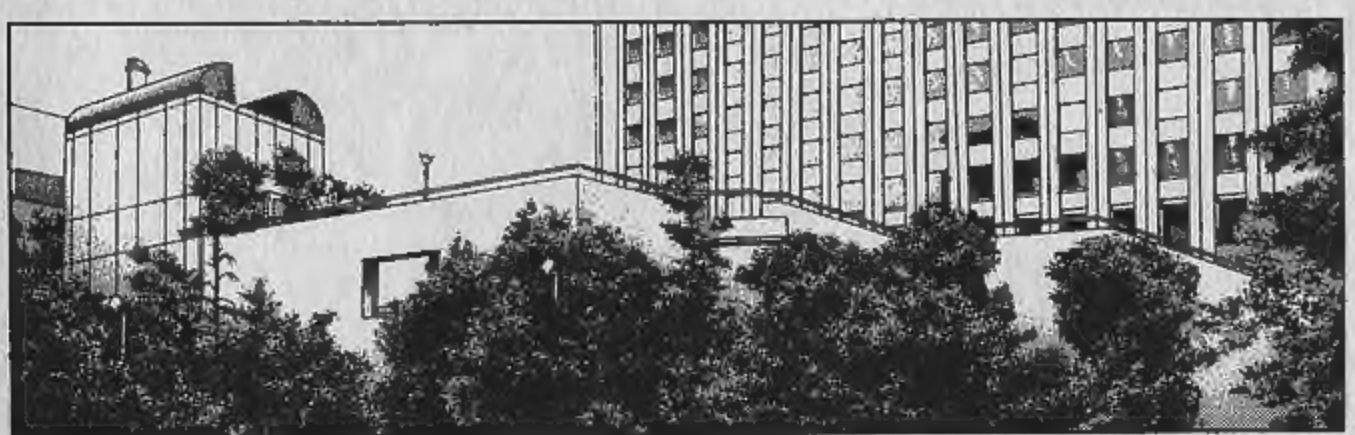
Taking me for a pussy won't work out.



Y...
Yes.

Come with me.
Tomorrow, we're going to kill Maeda.

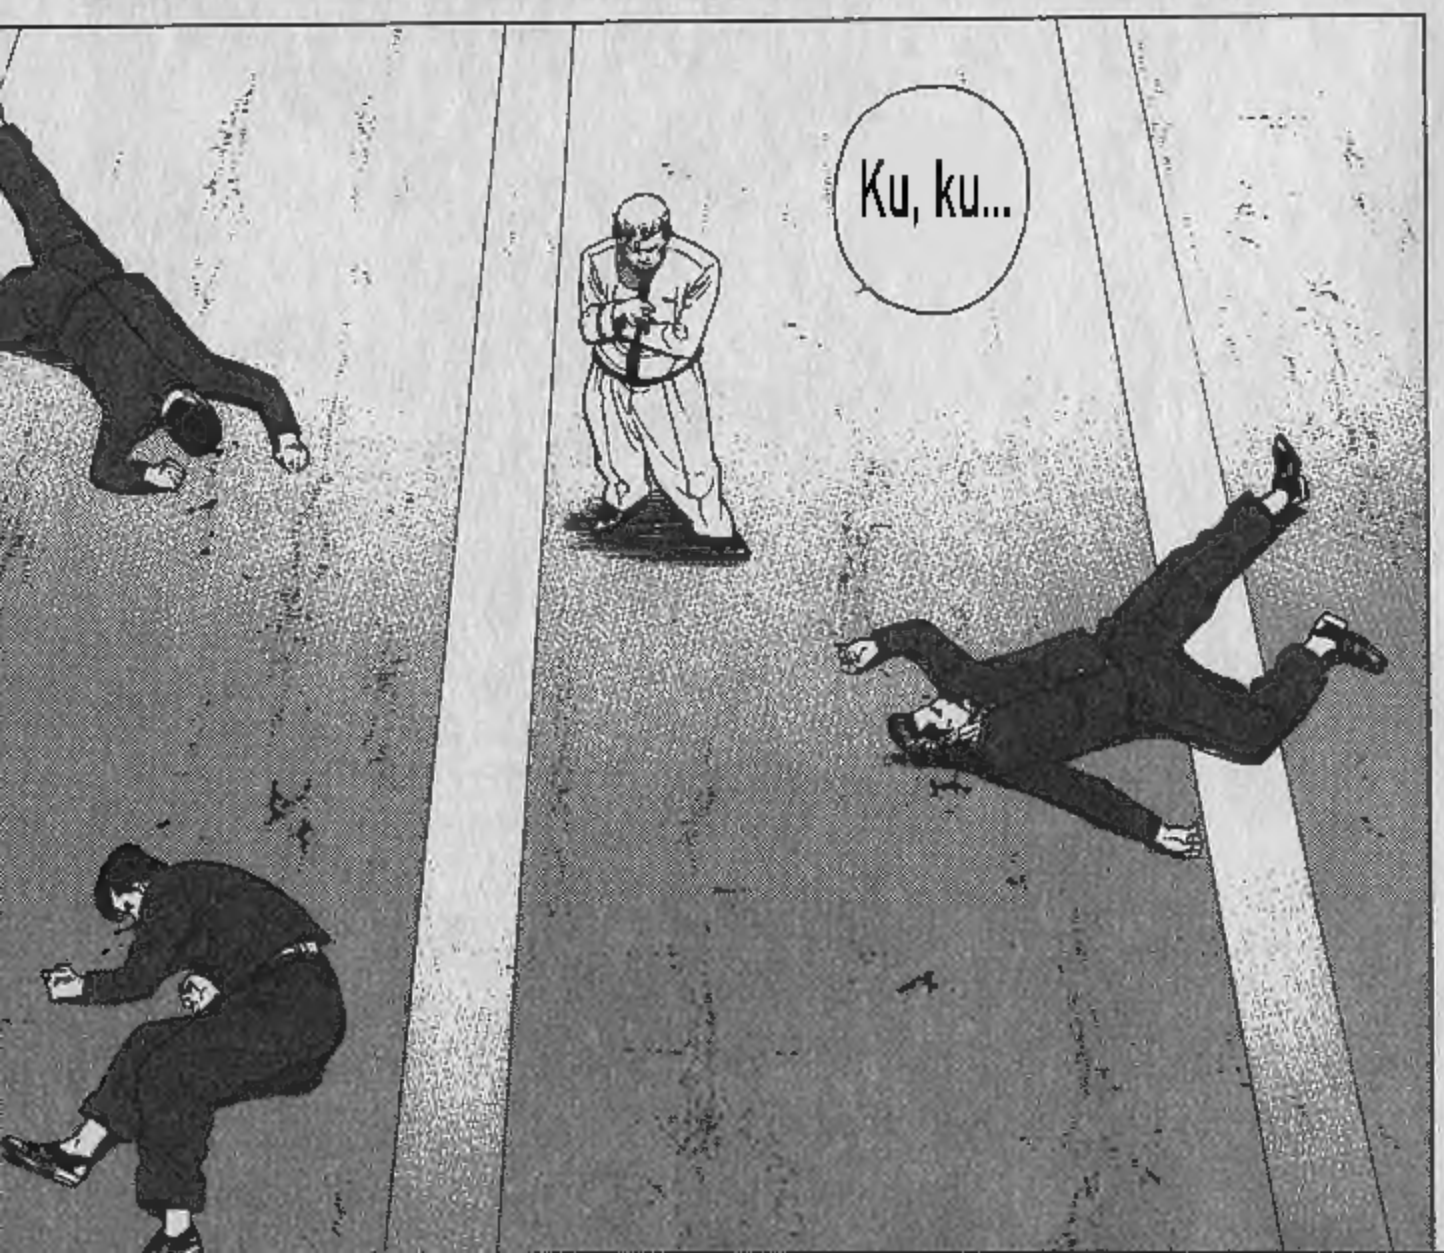


Fuu- everyone was surprised. Kawashima's changed since then...
It's already over, huh?

Fw- ick

Everyone's decided, what stands on top isn't trust... fear is necessary...

I know who they're gonna rely on then...
Everyone's gonna end up hating Kawashima, and Tatsuyoshi too.



Ku, ku...
